Hello All,

Its time again to awaken Newark Now's sleeping giants! There is a conference meeting tomorrow at city hall, and we need you and your members to attend. We flexed muscle last week at Brick towers, but now city hall must see what caring resident are willing to except. City hall must see that there are people in this city who are tired of non-responsive officials, and are organizing to make a difference. Our strength is our organization and numbers; by coming tomorrow we demonstrate both. Please call the office if you have any questions but here is the low-down:

Time: 1pm

Date: March 23rd 2004

Place: City Council Conference Room (outside council row) Room 304.

Why: Brick Towers Moratorium MUST BE EXTENDED!

Who: You and bring a friend

Hello All,

This is a follow-up to my phone call, so please excuse me if I sound redundant. We are canceling today's partner meeting (3/3/04) and rescheduling it for next Wednesday March 10th at 6:30pm.

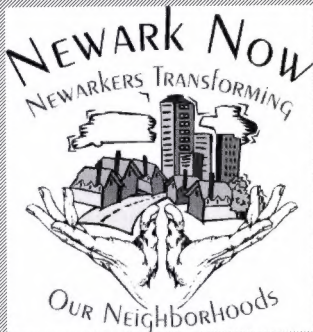

It is important that we all make it out for this one, because some important and good things will be discussed. Call if you have any questions.
